## ***WHAT TO EXPECT IN THE SOUTH***

**Marine Life:** Diver can expect a wide range of topography from shallow reefs, fringing reefs, drop off and wall, pinnacle, cave and swim through with a variety of hard coral, soft coral, sea fans, and sponges.

Manta rays, sea turtles, sharks, cuttlefish, pipefish, various seahorse species, and massive school of reef fishes are norm, not to mention the abundance of reef macro critters, plus the delightful wobbegong shark and epaulette shark inhabit these waters too.

### **Day 1 - Sorong Sailing to Misool**

Begin your adventure by embarking from Sorong Harbour and boarding the vessel. The cruise leader will brief on boat safety, an overview of the trip, equipment set up and then settle into your accommodations.

Upon arrival at the check dive site, the dive crew will outline the upcoming dive sites and safety protocols. This dive is designed to refresh your skills and ensure your comfort in the water. You'll explore a nearby dive site, assessing your gear and diving proficiency.

Afterwards, we will sail to Misool for approximately 18+ hours. Due to the long hours to reach Misool, guests flying to Sorong are expected to arrive before 8 am or recommended to stay a night before in Sorong to avoid flight delays. As part of the sailing experience, expect a range of delightful boat movements from a small wobble to more adventurous waves.

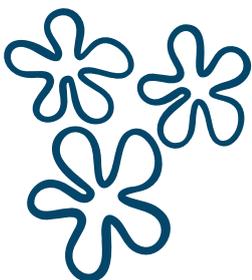

## Day 2 - 4 - Misool

After an overnight of sailing we welcome you to the gem of Indonesia, Misool, one of the four major islands in Raja Ampat. These waters offer unparalleled scuba diving experience with breathtaking underwater biodiversity and pristine coral reefs. The region's protected marine areas ensure the preservation of its rich ecosystems.

Explore a psychedelic world in this area that has various dive sites from fringing reefs around small islands, slopes, walls, pinnacle, and swim through with prominent soft coral and sea fans densely covering the reef. Expect to be blown away by friendly mantas, curious turtles, school of trevally, barracuda, batfish, and many more.

Possible dive sites:

- Two tree rock
- plateau,
- Pet rock
- Yelit kecil,
- nudi rock,
- tank rock,
- boo window,
- fourkings,
- gorgonian passage,
- boo east,
- magic mountain,
- love lagoon

## Day 2 - 4 - Misool

Get ready for another tropical underwater playground diving in an unspoiled landscape combination of unique rock formations with a teeming multitude of marine species.

After enjoying the 2 last dives in Misool, we venture to a unique sanctuary in the remote corner of Raja Ampat - a magical lagoon home to the famous stingless jellyfish. Getting there involves scenic trek over sharp limestones, where proper shoes or booties are definitely the must wear gear. Dip in the lagoon and get personal with these jellyfish, and don't worry they won't bite or sting. Pain free swimming in the refreshing lagoon while enjoying the lush green scenery of the area. What more can you ask for?

Saying thank you to Misool for such memorable experience, it's time to rest and relax on the boat while we sail for around 15 hours+ to Pyanemo for another adventure.

Possible dive sites:

- Twin rock,
- wagemab,
- farondi,
- jellyfish lake

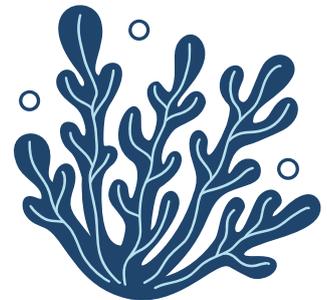

## Day 6 - Piaynemo

After breakfast, gather for a briefing that outlines today's dive sites: Melissa Garden, My Reef, Batu Rufas and Galaxy. Melissa Garden is a renowned dive site characterized by an incredible carpet of healthy corals. Be prepared as the other dive sites are as stunning, such as My Reef where there is a high chance to encounter schools of barracuda as they glide through the water and Batu Rufas where you'll find a striking underwater frame perfect for striking a pose. In the afternoon, switch gears for some exploration on land and embark on a short trek to Pyanemo Point, famous for its stunning overlook of the turquoise lagoon below. Night dive will depend on weather conditions.

Possible dive sites:

- Melissa Garden
- Rufus
- My Reef
- Galaxy

## Day 7 - Central

We'll have an early start as today's dive is another highlight. Depending on flight schedule, guests are able to opt for 1 dive due to no 24 hours no fly requirement or can participate for 2 dives. Blue Magic, as the name suggests, is like diving into the magic world underwater. School of fishes, sharks, and corals, not to mention the critters you might find lurking on the reef. Get ready for the big prize, oceanic manta ray, might come occasionally cleaning themselves above the reef.

For the second dive, Mioskon, is also a mesmerizing dive site with so many fishes swimming around the shallow reef. After the last dive, the crew will help wash and dry scuba equipment while sailing back to Sorong.

## Day 8 - Sorong

Disembark in Sorong Harbour. After breakfast we will assist guests to the airport depending on flight schedule or we will transfer to a hotel. For those staying in hotels, are able to relax on the boat until 10.00am.

GOODBYE!
